Concepts addressed in this review sheet: *Methods for enhancing student learning through the use of a variety of resources and materials: service learning*

Students should refer to notes within packet as well as daily communication notes taken during student teaching.

Specifically, students should review:

- Definition and skills of service learning
- Purpose behind service learning
  - Promotes parental involvement and education
  - Promotes collaboration and community involvement
  - Overall learning experience
  - Strengthens community involvement/education
- Modes/methods of service learning
- Key aspects to service learning
  - Respect
  - Active participation
  - Assistance to those needed
  - Two-sided (benefits provider and community)
- Key aspects NOT related to service learning:
  - Episodic, volunteer program
  - Required for graduation, grades, etc.
  - One-sided (only benefiting provider or community)
- Reflection by thinking, discussing, and/or writing about service learning project
- Links to overall academic content and standards
- Offers opportunities to engage in problem-solving
- Offers critical thinking skills
