

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Building Plaques

NUMBER: 6:7

There shall be an appropriate building plaque installed in all state building projects in the Regental system. The plaque shall be made of appropriate material such as aluminum or bronze alloy, and its size shall complement the facility in which it is located. The president of an institution shall subject the proposed name of the facility to the Board of Regents for approval. The format for the plaque shall be as shown on page 2 of this policy, and the names appearing on the plaque shall include those persons serving in the capacity indicated on the format on page 2 of this policy when the bids are let.

Building Authority names shall be included for those projects for which the Authority has been the funding mechanism.
