## **Deaf Education Task Force to Hold 2<sup>nd</sup> Meeting**

PIERRE, S.D. – The Task Force on Deaf and Hard of Hearing Education will hold its second meeting June 18 in Sioux Falls.

Task force members will discuss short-term recommendations for the upcoming school year, as well as review informational items requested at last month's meeting. The meeting on June 18 begins at 9 a.m. in rooms 272-273 of University Center, located at 2205 Career Drive.

Gov. Mike Rounds appointed the nine-member task force to examine South Dakota's educational services for students who are deaf and hard of hearing, and make recommendations to improve the effectiveness and efficiency of those services. The governor asked the task force to offer both short- and long-term recommendations on how the state can best deliver services to all students who are deaf or hard of hearing.
