

EXPERIMENTAL COURSE REQUESTS

Guidelines Effective Spring 2004

1. Experimental courses shall be reported on the Experimental Course Notification Form.
2. An experimental course can be offered no more than twice within 2 academic years before it must be submitted as a New Course Request. An academic year is a Fall and Spring Semester.
3. A prefix for which your university has approval must be used.
4. Experimental courses may be offered as 199, 299, 399, 499, 599, or 699.
5. If the experimental course is offered via distance, the distance delivery quality assurance process must be completed and the course must be listed on EUC.
6. The experimental courses will be included in the annual summary to the BOR system Vice President for Academic Affairs.
