

EMPHASIS IN AN EXISTING MAJOR

Guidelines effective Spring 2004.

1. The university VPAA has authority to approve an Emphasis.
2. An emphasis is a concentration within a major and is accomplished by individual student choices within a plan of study. For example, within a major on adult health the student may focus on the older adult.
3. An emphasis is not regarded as a separate program. It may be described in the catalog, but not detailed as a specific plan of study.
4. An emphasis is not specified on a transcript.
