

ACADEMIC AFFAIRS COUNCIL

AGENDA ITEM: 4 – C (3) (k)

DATE: May 24, 2017

SUBJECT: GE Block Transfer: USD – Western Iowa Technical and Community College

Board of Regents [Policy 2.5 Transfer of Credit](#) outlines the framework for coordinating the block transfer of General Education coursework for students entering the Regental system with an earned Associate of Arts (AA) or Associate of Science (AS) degree. Institutional Registrars are asked to evaluate the General Education goals and learning outcomes from the sending institution to determine alignment with the AA and AS requirements outlined in BOR [Policy 2:26 Associate Degree General Education Requirements](#). During the August 2016 meeting, AAC approved the creation of the GE Block Transfer Form which shall be used by institution performing the assessment.

Personnel at the University of South Dakota have performed a review of the General Education requirements at Western Iowa Tech & Community College, and recommend the creation of a GE Block Transfer agreement with this institution for students entering the Regental system with an AS degree awarded. The AS degree program at the institution requires a total of 42 credit hours of General Education coursework, and the course equivalencies align with all existing Regental system General Education goals and outcomes.

RECOMMENDED ACTION

Approve the General Education Block Transfer for the Associate of Science Degree for students transferring from Western Iowa Technical and Community College.

**SOUTH DAKOTA BOARD OF REGENTS
ACADEMIC AFFAIRS FORMS**

Transfer of General Education Block Credit

Use this form to evaluate the transferability of the General Education Goals and Curriculum from an Accredited Institution which results in a significant number of student transfer within the Regental system.
