SUBJECT: Course Modifications - DSU

Dakota State University will add BIOL 592 Topics to their course list. The course will be offered this summer as part of a research grant.

In addition, the M.S. in health informatics was approved by the BOR at their meeting last week. The New Course Requests included as part of that program are listed below and have been posted on DSU’s website.

- HIMS 746 Data Management in Health Informatics
- HIMS 747 Business in Health Informatics
- HIMS 748 Research in Health Informatics
- HIMS 788 Master’s Research Project
- HIMS 789 Master's Research Project Sustaining
- HIMS 792 Topics
