**SUBJECT: Board Policy 2:5 Transfer of Credit Discussions**

AAC discussed several issues with Board Policy 2.5 at the [February 2016](#) meeting. As part of those discussions, AAC agreed that a small group would review issues with transfer of credit policies and bring a series of recommendations to AAC. The intent is to prepare revisions to the policy and present to the Board of Regents at one time rather than presenting multiple policy revisions. The proposed timeline is to bring proposed revisions to AAC at the May 11 meeting and the Board of Regents at their June 28-30 meeting. Members of the group include Trudy Zalud (Enrollment Services Center), Peggy Hallstrom (NSU), Beth Freeburg (USD), Kathy Callies (DSU), and Mary Kay Helling (SDSU).
