

**ACADEMIC AFFAIRS COUNCIL**

**AGENDA ITEM: 5 – H**

**DATE: March 31, 2016**

\*\*\*\*\*

**SUBJECT: Early Alert Update**

The contract for the system implementation of Starfish will expire in the Summer 2017 and a status report from the institutions regarding the usage/impact of the software is warranted moving into the final year of implementation. AAC representatives are encourage to discuss with their campus lead and be prepared to provide feedback with the council members regarding the overall return on investment for the software implementation.

\*\*\*\*\*

**RECOMMENDED ACTION**

Discussion and recommendation.
