AGENDA ITEM: 6 – F (1)

DATE: March 31, 2016

SUBJECT: Agreement on Academic Cooperation – SDSM&T

South Dakota School of Mines and Technology seeks approval to enter into a Memorandum of Understanding with Universidad Perauna de Ciencias Aplicadas, Monterrico, Santiago de Surco, Lima, Peru, to assist in facilitating collaborative opportunities between the two universities (see Attachment I). The agreement may result in the opportunity for joint research, faculty collaboration and potential student exchange. The agreement specifies that both inbound and outbound students are responsible for payment of tuition and fees to the host institution, and thus is consistent with the requirements set forth in section 4 of Board of Regents [Policy 5:5:4 Tuition and Fees](#). The inbound students are classified as visiting (not exchange), non-degree students in the student information system. All expenses, including tuition, fees, living and incidental expenses shall be borne by the participating students.

If there is sufficient opportunity and interest for more traditional student exchange in the future, a more detailed exchange agreement will be requested.

RECOMMENDED ACTION

Approve the Memorandum of Agreement between South Dakota School of Mines and Technology and Universidad Perauna de Ciencias Aplicadas. Forward to BOR.
