**SUBJECT: Summary of Pending and in-Progress Program Requests**

The list of pending programs is now available as a dashboard on the AAC website and is available at <https://www.sdbor.edu/dashboards/Pages/Proposed-Program-Tracker.aspx>. The list includes current Intent to Plan, New Program, New Site, New Certificate, and New Specialization proposals and their status within the approval process. Programs listed as “new” are those appearing on the list for the first time at an AAC meeting (program proposals should appear on this list at least one AAC meeting prior to their appearance on an AAC agenda). AAC members are encouraged to continue contacting BOR staff about proposals in the development stages.
