

ACADEMIC AFFAIRS COUNCIL

AGENDA ITEM: 2 – E

DATE: July 13, 2017

SUBJECT: Summary of Pending and in-Progress Program Requests

The current list of pending programs is available for viewing on the [Proposed Program Tracker Dashboard](#) on the AAC website. The list includes current Intent to Plan, New Program, New Site, New Certificate, and New Specialization proposals and their status within the approval process. Programs listed as “new” are those appearing on the list for the first time at an AAC meeting (program proposals should appear on this list at least one AAC meeting prior to their appearance on an AAC agenda). AAC members are encouraged to continue contacting BOR staff about proposals in the development stages. The Proposed Program Tracker Dashboard indicates that 194 programs are currently in development stages on Regental campuses, with 29 currently being reviewed by universities and Board office staff.

Programs Approved by the Board as of July 2017

The Board of Regents approved 27 program proposals (associate degrees, bachelor degrees, graduate degrees, and certificates), in addition to approving 15 intents to plan, so far during calendar year 2017. No new minors or new site requests have been submitted in 2017. These approved programs include:
