SUBJECT

New Prefix Request – USD

CONTROLLING STATUTE, RULE, OR POLICY

[AAC Guideline 1.10](#) – New Prefix Request

[AAC Guideline 1.10.A](#) – Approved Course Prefix List

BACKGROUND / DISCUSSION

All courses offered within the Regental system, whether experimental, unique, or common, must use an approved prefix. However, a course prefix need not reflect the name of the department offering the course.

IMPACT AND RECOMMENDATION

The University of South Dakota has submitted a request for authority to create the following new prefix.

- ACP: Addiction Counseling and Prevention

This new prefix would replace the current prefix of ADS (Alcohol and Drug Studies) and would more accurately describe the mission of the department.

Board staff recommend approval.
