[BOR Policy 4:10](#) – Tenure and Continuing Appointments

BACKGROUND / DISCUSSION

In the spring of 2020, an extension was provided to faculty hired in the Fall 2019 through the Spring 2020. Due to the continued extenuating circumstances, a request to extend this through Spring of 2021 was requested for all faculty hired then from Fall 2019 through Spring of 2021.

AAC should discuss the merit of this change and act accordingly.

IMPACT AND RECOMMENDATION

Review the current temporary tenure procedure extension and discuss moving that through Spring of 2021.
