AGENDA ITEM: 7 – B (2)

DATE: October 6, 2020

SUBJECT

Articulation Agreements – SDSU

CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 2:27](#) – Program to Program Articulation Agreements

BACKGROUND / DISCUSSION

BOR Policy 2:27 Program to Program Articulation Agreements establishes requirements for institutions seeking to develop program level agreements for interested transfer students. The policy further establishes the distinction between AA, AS, and AAS degrees which are classified as transferable, terminal, or non-transferable degrees (respectively). However, the AAS is “transferable when a specific degree articulation agreement exists between a given A.A.S. degree and a specific Baccalaureate degree.” Agreements established with regionally accredited institutions must be developed in conjunction with the faculty, following all institutional guidelines and are monitored as a function of the institutional program review process. Once approved, the agreements apply only at Regental institutions with equivalent programs.

IMPACT AND RECOMMENDATION

To comply with BOR Policy 2:27, South Dakota State University requests approval for the following articulation agreement:

- Students who have completed coursework in the Associate of Applied Sciences degree in Manufacturing Engineering Technology at Southeast Community College (SCC) can apply credit toward the Bachelor of Science degree in Operations Management at SDSU.

Board staff recommends approval.
