

ACADEMIC AFFAIRS COUNCIL

AGENDA ITEM: 4.E

DATE: June 11, 2014

SUBJECT: Summary of Pending and in-Progress Program Requests

The attached document lists current New Program, New Site, and Intent to Plan requests and their status within the approval process. The document is also available on the AAC portion of the Board of Regents website.

While BOR staff continues to work with campuses on proposals that have yet to receive approval, it is helpful for planning purposes to know what additional requests are likely from each institution. What new program, new site, intent to plan, or new certificate requests not yet formally submitted are campuses planning to submit in the near future? This includes any new baccalaureate major, associate degree program, or graduate program for which an intent to plan is approved, but for which no corresponding new program proposal has yet been submitted.

RECOMMENDED ACTION

Information and Discussion.

SOUTH DAKOTA BOARD OF REGENTS
New Program, New Site, & Intent to Plan Proposals
Status as of 5/28/14

INSTITUTION	DEGREE	DISCIPLINE	REQUEST	POINT IN PROCESS
DSU	DSc	Cyber Security	New Program	BOR Approved 0414
