**SUBJECT: Revisions to Board Policy 2:10 – Grades and Use of Grade Point Averages**

The Council has been having discussions about 2 changes to Board Policy 2:10. These are:

1. Creation of the SP grade for use solely with MATH 095.
2. Establishment of limits on the number of W's that a student can be assigned while enrolled in courses offered by the Regental system.

Both of these proposed changes continue to be considered by MOCC and its functional groups. If there is additional information to report, this will be provided at the meeting.
