

**PROGRAM TO PROGRAM ARTICULATION AGREEMENT
WITH RESPECT TO
DENTAL HYGIENE EDUCATION**

BETWEEN

THE UNIVERSITY OF SOUTH DAKOTA

AND

WESTERN IOWA TECH COMMUNITY COLLEGE

-
- I. **Parties:** The parties to this agreement are the Department of Dental Hygiene at The University of South Dakota (USD) and the Dental Assisting Department of Western Iowa Tech Community College (WITCC)
- II. **Purpose:** The purpose of this agreement is to provide for the articulation of courses between Western Iowa Tech Community College and The University of South Dakota.

The professional subject areas being considered in this agreement are dental radiography. Courses in these areas may be considered transferable under stated conditions.

III. **Academic Program:**

A. **Courses with Dental Content**

Students from the Program in Dental Assisting at the Western Iowa Tech Community College will get credit and a grade a "P" (pass) for The University of South Dakota Department of Dental Hygiene courses indicated below:

WITCC Courses

DEA 303 (4 cr)

USD Courses

DHYG 327 Principles of Radiography (2 cr)

DHYG 333 Radiography Practicum (2 cr)

The following conditions must be met before credit can be awarded:

1. The student wishing transfer credit must have completed the dental assisting program satisfactorily and received a diploma from WITCC.
2. The student wishing transfer credit must have completed the subject matter in these courses with the equivalent of a "B" grade or higher.
3. The courses must have been taken within three years of the request for transfer OR the student must have been in full-time employment as a dental assistant for the two years preceding the request for transfer. In addition, the student must have been using radiology skills during the period of employment.

All procedures/skills and competency levels taught in the USD Dental Hygiene program must be met by the WITCC courses and/or combination of courses. If at any time, procedures/skills and/or competency levels change at either institution, it will be the institution's responsibility to inform the other of the

changes. For any and all skills that may apply to the courses for which transfer credit is given, The Chairperson of the University of South Dakota Dental Hygiene program will be the sole determiner of whether the transferring student's skills meet University standards. In the event that the Chairperson determines that the transferring student's skill levels may not meet proficiency standards, it is understood that the student will enroll in the University course for credit.

B. General Education and Support Coursework

Credit for general education and other support courses will be awarded in accordance with Board of Regents policies as well as articulation Memorandum of Agreement approved by the South Dakota Board of Regents and the South Dakota Board of Education on December 14, 2004. Students must complete all university graduation requirements as stipulated in the relevant University of South Dakota Undergraduate Catalog.

- IV. **Obligations of the Parties:** Both parties agree to review the progress of this agreement on a yearly basis. The parties also agree to confer with each other regarding changes in courses involved in this articulation agreement.
- V. **Third Party:** No third party shall have the right to enforce any part of the agreement against any party of this agreement.
- VI. **Relationship:** The parties agree that the relationship between them is that of independent contractors. This agreement is not intended nor shall it be construed to create any employment relationship, agency, partnership, joint venture or any relationship other than that of independent contractors.
- VII. **Termination:** This agreement shall remain in effect until such time as circumstances related to the articulation require its revision or termination. Students who enroll in classes to be delivered after the termination will not be entitled to the benefits provided hereunder. Students who attended classes during the term of the agreement and who completed their coursework satisfactorily will continue to enjoy the benefits of this agreement notwithstanding its termination.

The agreement may be terminated if the Legislature fails to appropriate funds needed to support participation in the agreement by The University of South Dakota, or if the Western Iowa Tech Community College governing board fails to provide the necessary appropriations. Termination for failure of appropriation is not a breach of this agreement.

- VIII. **Modification:** This agreement may be modified from time to time upon written approval by the Board of Regents. Modifications may not diminish the entitlements enjoyed by students who have already attended classes delivered under the terms of earlier versions of the agreement, except in rare instances in which retroactive implementation of modifications may be required to comply with accreditation standards or to conform to professional licensure requirements.
- IX. **Review and Renewal:** This agreement will be reviewed on an annual basis and may be amended from time to time by the parties hereto. No amendment shall be binding, however unless the same shall be in writing and signed by the parties subject to the approval of the Board of Regents. This Agreement can be terminated no later than six months prior to the opening session of any academic year upon written notice by either party. If the funding for the WITCC program is not available, the program will be ended. In such event, students may complete the program at the Vermillion campus.
- X. **Liability:** Neither party, by entering into and performing this agreement shall be or become liable for any existing or future obligation, liability or debt of the other. Each party shall be solely responsible for its employees' or agents' actions and for any claims or losses arising out of its performance of this agreement or the acts or omissions of its employees or agents in the performance thereof.
- XI. **Effective Date of the Agreement:** Retroactive to July 1, 2012
