Between
SOUTHEAST TECHNICAL INSTITUTE
and
DAKOTA STATE UNIVERSITY

I. Parties

The parties to this agreement are Southeast Technical Institute (STI) and Dakota State University (DSU).

II. Purpose

The purpose of this agreement is to:

- A. have a signed articulation agreement that addresses the varying needs of students and complementary nature of the institutions' programs;
- B. provide increased educational opportunities for students from South Dakota and the region;
- C. extend and clarify educational opportunities for students;
- D. provide STI students who have completed the A.A.S. degree in Computer Programming an opportunity to earn a Bachelor of Science degree with a major in Computer and Network Security.

III. Academic Program

- A. Upon successful completion of the major requirements specified in III.B below, Dakota State University will accept **9** technical course credits from the A.A.S. degree in Computer Programming for students majoring in Computer and Network Security. Students must successfully complete the A.A.S. degree in Computer Programming from STI prior to transferring to Dakota State University for the technical course credits to be accepted. General Education coursework is in addition to the 9 technical course credits. Furthermore, students may validate credit for any required course in the major using any of the validation methods accepted by Dakota State University. Students may not earn more than 32 semester hours of credit using these validation methods.
