IV. Pathway One: Reverse Articulation (completing years one and two at USD, years three and four at WITCC, and transferring WITCC credits back to USD for completion of degree)

- A. Students will complete the required Health Science major courses through the University of South Dakota during the first two years of their education. During the third year of their education, they will enter the Emergency and Disaster Management program at WITCC and complete the requirements for the AAS in Emergency and Disaster Management at the end of the fourth year.
- B. Upon successful completion of the requirements of the AAS degree in Emergency and Disaster Management, the student will transfer back to USD and apply for graduation. At that time, USD will accept a block of 41 technical course credits in transfer. In addition to the Emergency and Disaster Management technical course block credits, general education coursework that is equivalent to Regental courses will be transferrable and accepted by USD.
- C. USD will waive the graduation requirement that 16 of the last 32 credits for the baccalaureate degree must be earned as institutional credit.
- D. Students must meet all other Board of Regents and university graduation requirements in order to receive a degree.

V. Pathway Two: Forward Articulation (completing the AAS in Emergency and Disaster Management at WITCC and transferring to USD to complete the Bachelor of Science in Health Sciences)

- A. Upon successful completion of the requirements of the AAS in Emergency and Disaster Management, students may transfer to USD to complete the BS in Health Sciences. At that time, USD will accept a block of 41 technical course credits from the AAS degree in Emergency and Disaster Management. Students must successfully complete the AAS degree in Emergency and Disaster Management from WITCC prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to the 41 technical course block credits will also be accepted.
- B. Students will complete the requirements for the Health Sciences major and any other general education or free elective requirements that remain unsatisfied.
- C. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.

VI. Additional requirements

- A. Students transferring coursework from WITCC must have a cumulative GPA of 2.0 on a 4.0 scale.

- B. In accordance with BOR policy 2:28, students must demonstrate satisfactory performance in writing, mathematics, reading, and science reasoning as evidenced by receiving a passing score on all sections of the Collegiate Assessment of Academic Proficiency (CAAP) exam. In accordance with the Regental policy, students must take the exam during the first semester of enrollment at USD after completion of 48 passed credit hours. Students must have completed a specified 18 credit hours of general education courses prior to sitting for the exam.

VII. Obligations

Both parties agree to confer with each other on a yearly basis regarding changes in curricula involved in this articulation agreement.

VIII. Modification

This agreement may be modified from time to time by the South Dakota Board of Regents and Western Iowa Tech Community College.

IX. Termination

This agreement may be terminated by the University of South Dakota upon one year's notice to Western Iowa Tech Community College. Student(s) enrolled in the program at that time shall be allowed to complete the program.
