General Information

Applications must be postmarked (or received electronically) by February 1 for priority consideration. Scholarship applicants will be notified of the decisions.

NOTE: For the 2019-20 award year, due to the increasing workforce needs within education fields, the Dakota Corps Scholarship Board may concentrate more favorably on applicants who are pursuing education disciplines in those areas identified below as having an acute shortage when determining awards.

The Dakota Corps Scholarship Program, created by Governor Rounds, is aimed at encouraging South Dakota high school graduates to:

- Obtain their postsecondary education in South Dakota.
- Remain in the state upon completion of their education.
- Contribute to the state of South Dakota and its citizens by working in a critical need occupation.

The current critical need occupations are:

- Teaching in the following areas in a public, private, or parochial school.
  - K-12 Special Education
  - High school math or science
  - Career and technical education
  - K-12 foreign language
- Working as an Accountant / Auditor.
- Working as an Engineer (includes all fields EXCEPT mining)
- Working in an information technology related field (i.e. Computer Science, Information Assurance, Information Security).
- Working as a Registered Nurse (RN).

The scholarship amount will be equal to tuition and generally applicable fees for 16 credit hours at a public South Dakota college, public technical college, or tribal college. The scholarship amount at a participating private college will be the same amount that is paid at a public South Dakota college. Participating colleges will provide additional scholarship to cover remaining tuition and fees if needed. It is the intent of the program that the scholarship recipients do not have to pay anything toward tuition and generally applicable fees.

To be considered for the scholarship you must meet all of the following:

- Have graduated from an accredited South Dakota high school with a Grade Point Average (GPA) of 2.8 or greater on a 4.0 scale. Home schooled students will be allowed to provide supplemental information to qualify if the information for this requirement is not available.
- Have a composite ACT score of 27 or greater (or the SAT equivalent).
- Agree in writing to stay in South Dakota and work in a critical need occupation after graduation for as many years as the scholarship was received plus one year.*
- Apply for the first Dakota Corps Scholarship for a school period that begins within one year of high school graduation, or within one year of release from active duty of an active component of the armed forces.
- Be an incoming freshman at a participating South Dakota college as an undergraduate student in a program that will prepare the student to work in a critical need occupation.
- Be a U.S. citizen or national.

Programs are limited to four years of scholarship. Scholarships will not be provided for summer session students enrolled in traditional four year programs.

To maintain your scholarship eligibility you must:

- Maintain a 2.8 GPA on a 4.0 scale.
- Be considered a full-time student as defined by the college.
- Make satisfactory academic progress towards a degree.
- Be certified as accepted into the specific program by the start of your junior year (if in a four year program).
- Attend a participating South Dakota college.

*This scholarship becomes a low-interest loan if you fail to fulfill the program requirements.
