District 16 Lawmakers Host Board of Regents at North Sioux City

NORTH SIOUX CITY, S.D. – A town meeting on South Dakota public higher education is being hosted Monday, Nov. 7, in North Sioux City by District 16 lawmakers.

The meeting begins at 7 p.m. in the Community Center, located at 205 Sodrac Drive in North Sioux City. Representatives of the South Dakota Board of Regents, its staff, and public university presidents will be on hand to visit with area residents. The public is invited to attend.

“As a public university system, we know that job-one is to deliver the kind of quality higher education that produces a competitive workforce and results in a stronger South Dakota economy,” said Regents President Kathryn Johnson. “Through the continual re-evaluation of what we deliver at the public universities, and by developing new programs to meet new needs, we position ourselves to quickly respond to these challenges. We encourage local residents to join us for an informal conversation about the role higher education plays in meeting South Dakota’s needs.”

Sen. Dan Lederman, Rep. Patty Miller, and Rep. Jim Bolin, who extended the invitation to meet in North Sioux City, said the ideas exchanged at this meeting will help South Dakota’s public higher education system better plan for the future.
