Regents Invite Public to Campus-Community Forum April 3

SPEARFISH, S.D. – Spearfish-area residents are invited to join the South Dakota Board of Regents for a campus-community forum next week on the campus of Black Hills State University.

“We look forward to holding our board meeting April 2-4 on the Black Hills State University campus,” said Regents President Kevin V. Schieffer. “It is a perfect time to invite local residents to join us for dialogue and a short question/answer session on topics of interest.”

The Campus-Community Forum will be held Wednesday, April 3, at 5 p.m. in the Jacket Legacy Room (Room 202) of Student Union on the BHSU campus.

As the state’s public liberal arts university in western South Dakota, BHSU delivers 80 associate, bachelor, and master’s degree programs at campus locations in Spearfish and Rapid City. About 75 percent of the student body is from South Dakota, representing all 66 of the state’s counties. The remaining 25 percent of BHSU students come from 43 other states and 29 countries.
