

DEFINITIONS OF TABLE ELEMENTS

Summary

ACT #	Number of students who took the ACT
Admitted to ASSO	Admitted to Associate Degree programs
Admitted to BAC	Admitted to Baccalaureate Degree programs
Av ACT	Average composite ACT
Av GPA	Average Grade Point Average; calculated only for students who complete the academic year
Compos ACT Avg	Composite ACT average
Gen Ed Enr	Students enrolled in general education courses
Engl R Pla	Performance on placement exam indicated need for remediation
Engl R Enr	Enrollment in English remedial courses
Entering Cohort	Students entering Regental institutions
Math R Pla	Performance on placement exam indicated need for remediation
Math R Enr	Enrollment in mathematics remedial courses
No	Number of students
Pcnt	Percentage
Unduplicated R Enrollment	Does not include duplicated number of students enrolled in both English and mathematics remedial courses
Unduplicated Total	Combines number of students enrolled in general education courses and the number of unduplicated remedial course enrollments

Placement by Institution

ACT No	Number of students who took the ACT
Avg ACT Comp	Average of all ACT composite scores
BHSU	Black Hills State University
Both Remedial	Includes students enrolled in both English and Mathematics remedial courses
CBAP	College Board Advanced Placement credit awarded based on qualifying test scores
DSU	Dakota State University
NSU	Northern State University
Percent	Percentage is calculated using the unduplicated remedial or the unduplicated total
Remedial Placement	Performance on placement exam indicated need for remediation
Remedial Enrollment	Enrolled in a remedial level (non-general education) course
SDMT	South Dakota School of Mines & Technology
SDSU	South Dakota State University
Stu No	Number of students
System	Includes all six Regental institutions
Undup Remedial	Does not include duplicated number of students enrolled in both English and Mathematics remedial courses
Undup Total	Combines number of students enrolled in Degree Credit courses and the number of unduplicated remedial course enrollments
USD	University of South Dakota

Individual High School Report

ACT Composite Score	Average of all ACT sub-scores
Alge & Below Calc	Students enrolled in Algebra and courses below the level of Calculus
Av GPA	Average Grade Point Average
College Year End	Includes only those students who completed both semesters; the difference in the number of students entering and the number at college year end represents those students who withdraw
Calculus & Above	Students enrolled in Calculus and courses above the level of calculus
Percent	Percentage is calculated using the unduplicated total
Stu No	Number of students

Rank by Average GPA

Avg GPA	Average Grade Point Average
HSName	Name of high school
Rank	Order of high schools based on average GPA
Stu No	Number of students
