

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Catalogs

NUMBER: 2:20

1. Each university catalog shall contain the following statement:

The information contained in this catalog is the most accurate available at the time of publication, but changes may become effective before the next catalog is published. It is ultimately the student's responsibility to stay abreast of current regulations, curricula, and the status of specific programs being offered. Further, the university reserves the right, as approved by the Board of Regents, to modify requirements, curricula offerings, and charges, and to add, alter, or delete courses and programs through appropriate procedures. While reasonable efforts will be made to publicize such changes, a student is encouraged to seek current information from appropriate offices.

2. The statement shall be placed in bold typeface on the inside of the front cover of the catalog or on the first page of the catalog.
