If factors beyond the control of a student who has been awarded a Richard Hagen-Minerva Harvey memorial scholarship prevent the student from meeting the requirements in this section, the board may temporarily waive the requirements of this section as eligibility criteria. The board may rescind a scholarship award if the student does not maintain eligibility as prescribed by this section.

- 4) The Richard Hagen-Minerva Harvey Memorial Scholarship Program is funded through the earnings of a trust established for this purpose. The Richard Hagen-Minerva Harvey Memorial Scholarship Board determines annually the number of scholarships to be awarded, or to be re-awarded in the event that a holder loses eligibility. Scholarship award payments are

to the institution at the beginning of the fall or spring semester on behalf of the eligible student who has received a Richard Hagen-Minerva Harvey memorial scholarship. The amount of the award is as follows:

- a. not less than one thousand dollars for the first year of attendance;
- b. not less than one thousand dollars for the second year of attendance;
- c. not less than one thousand five hundred dollars for the third year of attendance; and
- d. not less than two thousand five hundred dollars for the fourth year of attendance.

4. Veterinary Medicine Tuition Assistance Awards

SDCL § 13-49-20.5 authorizes the Board to establish a tuition assistance program for South Dakota residents who have been admitted to accredited institutions of higher education in a course of veterinary medicine.

- A. Veterinary tuition assistance awards may not exceed the difference between the resident and nonresident tuition at the student's institution.
- B. New applicants for veterinary tuition assistance awards shall complete and submit to the Executive Director:
 - 1) a notarized affidavit of residency form;
 - 2) a veterinary tuition assistance application signed by an appropriate official from the accredited institution verifying that the stated in-state and out-of-state tuition rates are accurate and that the student is classified as a non-resident for tuition purposes; and
 - 3) a signed contract agreeing to:
 - a. complete the undergraduate and graduate veterinary medicine education requirements to become a practicing veterinarian;
 - b. practice veterinary medicine in South Dakota within three years after completion of his veterinary education and maintain that practice for a period of one year for each academic year the student received a veterinary medicine tuition award pursuant to this chapter;

- c. pay interest on the amount of the tuition assistance at the category A rate of interest specified in SDCL § 54-3-16 to accrue from the time the scholarship is awarded, if the student does not complete the terms of the contract.
- C. For every year that funds are appropriated, continuing students shall submit a new application signed by an appropriate official from the accredited institution verifying that the stated in-state and out-of-state tuition rates are accurate and that the student is classified as a non-resident for tuition purposes.
- D. Effective January 1, 1992, new students shall be accepted into the program on a competitive basis, provided that available funding shall permit acceptance of additional award recipients.
 - 1) An advisory committee, chaired and appointed by the Executive Director of the Board of Regents, shall consist of:
 - a. the dean of the college of agriculture and biological sciences at South Dakota State University;
 - b. the head of the department of veterinary and biomedical sciences at South Dakota State University;
 - c. the state veterinarian;
 - d. a representative of livestock and dairy producers;
 - e. the president of the state veterinary medical association; and
 - f. one veterinarian who is a member of the state veterinary association.
 - 2) The Executive Director, in consultation with the advisory committee, shall determine the number of new students to be accepted into the program, the criteria for their selection, and the amount of awards available to them.
 - 3) The System Scholarship Committee shall select new students to be accepted into the program according to the criteria determined by the Executive Director in consultation with the advisory committee.
- E. The assistance shall be awarded by semester. Upon approval of the application, an award notice shall be mailed to the recipient from the Board of Regents' Office and a warrant shall be drawn in the name of the institution the student shall be attending. The warrant shall be mailed to the student and must be presented to the institution for partial payment of tuition.

- F. If the state treasurer determines that the recipient of a veterinary medicine tuition award has violated the provisions of the contract, the recipient shall repay the amount of the tuition awards and pay such damages as may be determined by any circuit court in the state in which a civil action may be brought by the state treasurer. If the recipient is required to repay tuition awards and interest, he shall do so no later than five years after the state treasurer has determined a violation of the agreement has occurred. The state treasurer may forgive or defer all or part of the repayment required in this chapter if he determines that special circumstances exist due to the death or disability of the student or due to an extreme hardship which renders the student unable to complete his veterinary education or fulfill his service obligation.

5. Athletically Related Student Aid

- A. Athletically related student aid means any scholarship, grant, or other form of financial assistance the terms of which require the recipient to participate in a program of intercollegiate athletics in order to be eligible to receive such assistance. (Pub. L. 101-542, The Student Right to Know and Campus Security Act).
- B. Universities shall adhere to the policies governing athletically related student aid promulgated by the appropriate governing conference or national association. The Board may review governing conference or national association policies or adopt additional policies governing athletically related student aid at its discretion.
- C. Athletic scholarships may be funded from athletic gate receipts, athletic sponsorships, athletic broadcasting agreements, athletic guarantees, athletic commissions, advertising revenue, facility rentals, extra-curricular concession profits, vending profits, business related profits with the exception of the Auxiliary System, trademark royalties, camp profits, ticket sales, late payment fees, tuition remission and donations.
 - 1) All fund sources used for athletic scholarships must be tracked and reported to the Board on an annual basis.

6. General University Scholarships

General university scholarships awarded on a need or merit basis may be funded from advertising revenue, facility rentals, extra-curricular concession profits, vending profits, business related profits with the exception of the Auxiliary System, trademark royalties, camp profits, ticket sales, late payment fees, tuition remission, and donations.

- A. All fund sources used for general university scholarships must be tracked and reported to the Board on an annual basis.

7. Vending Machine Income

The profits from vending machine income shall accrue to the benefit of the students. These benefits could be in the form of: (a) Scholarships; (b) Student loan funds; and (c) Special student activities. Whenever vending machines are operated in essentially employee areas, the profits may be used for the benefit of these groups upon the President's written approval.

8. Residence Hall Scholarships

The universities may offer residence hall scholarships per year valued at 50% of the current double occupancy resident rate. The residence hall system shall be reimbursed the total of the residence hall fees waived from GAF and tuition generated from the students receiving the scholarship.

9. Graduate Research Assistant and Fellow Related Student Aid

- A. Graduate research assistant and fellow related student aid means any stipend, grant, tuition remission or other form of financial assistance given to a graduate research assistant or fellow in exchange for their service as a graduate research assistant or fellow.
- B. Graduate research assistant and fellow shall mean any graduate assistant or fellow whose assigned duties are primarily research activities and who meets the eligibility requirements contained in BOR Policy 5:22. The Board may adopt additional policies governing graduate research assistant and fellow related student aid at its discretion.
- C. Graduate research assistant and fellow related student aid may be funded from Facilities and Administration (F&A) receipts (sometimes called indirect or overhead receipts) generated from grants or contracts.
 - 1) All fund sources used for graduate research and fellow related student aid must be tracked and reported to the Board on an annual basis.
- D. Notwithstanding the foregoing, externally funded graduate research assistants and fellows shall be administered in accordance with the terms and conditions imposed by the external funding source.
