3. Contracts Acted Upon by Institutional Chief Executive Officer

All other contracts and agreements may be entered into by the institutional executive officer or his/her designee.

4. Legal Review of Contract Terms

Where an institution initiates a contract, it shall assume responsibility for securing legal review of the draft contract. Where an institution routinely enters into contracts of like kind or subject matter, it shall assume responsibility for development of a standard form contract or contract rider acceptable to the general counsel. Provisions of other contracts may be accepted if they conform to provisions previously approved by general counsel. Otherwise, the institution proposing to accept the contract should secure a legal opinion concerning the unapproved provision.

5. Procedures

- 5.1. Each institution shall develop a process for the internal review/approval of all contracts.
 - 5.1.1. Procedures shall be established by each institution to enable the institution to reconcile the amount of any contract with the amount actually expended at any given date by complying to the items set forth in 5.2 of this policy. This policy pertains to all contracts being held at the institution in accordance with

the procedure for records retention established by the Bureau of Administration.

- 5.1.2. Copies of any contracts entered into by an institution must be submitted upon request to the Board's general counsel.
- 5.2. Each institution shall utilize the contract lifecycle management (CLM) software and the general encumbrance feature in the Enterprise Resource Planning (ERP) system in order to remain in compliance by efficiently tracking payments towards contracts.

 - 5.2.2 The CLM must be utilized for all service-related contracts with a total financial obligation that is greater than or equal to \$4,000 and a term extending beyond 60 days.
 - 5.2.3 A general encumbrance shall be used whenever a contract is processed through the CLM and requires a payment obligation. Exceptions can be authorized by the Vice President of Finance for each institution.
 - 5.2.4 Institutions may require more stringent requirements if desired.

6. Delegation of Signature Authority

- 6.1. The executive director and the institutional chief executive officers may delegate the power granted hereunder to subordinates as is consistent with sound administrative practices. Such delegation shall not change the requirement that the necessary supporting documentation be assembled and approved prior to execution of a contract. No contract entered into shall become effective until executed by the Board, executive director, institutional chief executive officer, or by a person exercising powers delegated hereunder.
