

**SOUTH DAKOTA BOARD OF REGENTS**

**Academic and Student Affairs**

**AGENDA ITEM: 5 – I**

**DATE: October 7-8, 2015**

\*\*\*\*\*

**SUBJECT: SDSU Program Title Change – Addendum to Articulation Agreements**

South Dakota State University has submitted an addendum for all of the articulation agreements currently in place for Electronics Technology seeking authorization to formally update the titles within each to Electronics Engineering Technology as a result of the program title change that was approved at the [April 2015](#) Board meeting.

A copy of the addendum is provided in Attachment I. If approved, SDSU also requests approval to have this addendum posted to their website as well as the BOR's articulation agreement website.

\*\*\*\*\*

**RECOMMENDED ACTION OF THE EXECUTIVE DIRECTOR**

I move to approve South Dakota State University's addendum for all of the articulation agreements currently in place for Electronics Technology to formally update the titles within each to Electronics Engineering Technology.

Addendum  
South Dakota State University  
July 2015

This addendum modifies and supplements the articulation agreements listed below between Lake Area Technical Institute (LATI), Mitchell Technical Institute (MTI), Southeast Technical Institute (STI), Western Iowa Tech Community College (WTI) *and* South Dakota State University (SDSU):

Lake Area Technical Institute (date of approval)

AAS in Electronic Systems Technology to BS in Electronics Technology (May 2013)  
AAS in Robotics to BS in Electronics Technology (May 2013)

Mitchell Technical Institute (date of approval)

AAS in Automation Controls (SCADA) to BS in Electronics Technology (May 2013)  
AAS in Satellite Communications to BS in Electronics Technology (May 2013)  
AAS in Telecommunication to BS in Electronics Technology (May 2013)  
AAS in Wind Turbine Technology to BS in Electronics Technology (May 2013)

Southeast Technical Institute (date of approval)

AAS in Electronics Technology to BS in Electronics Technology (May 2013)  
AAS in Mechatronics to BS in Electronics Technology (May 2013)

Western Iowa Tech Community College (date of approval)

AAS in Electronics Systems Technology to BS in Electronics Technology  
AAS in Robotics & Automation to BS in Electronics Technology  
AAS in Wind Energy to BS in Electronics Technology

**A change in program title *from* Electronics Technology *to* Electronics Engineering Technology was approved by the South Dakota Board of Regents in April 2015. This addendum serves to modify the agreements listed above so as to reflect the new title.**
