

SOUTH DAKOTA BOARD OF REGENTS

Academic and Student Affairs
Consent

AGENDA ITEM: 4 – D (1)

DATE: August 10, 2017

SUBJECT: Articulation Agreement – SDSU

Board of Regents [Policy 2:27 Program to Program Articulation Agreements](#) establishes requirements for institutions seeking to develop program level agreements for interested transfer students. The policy further establishes the distinction between AA, AS, and AAS degrees which are classified as transferable, terminal, or non-transferable degrees (respectively). However, the AAS is “transferable when a specific degree articulation agreement exists between a given A.S. degree and a specific Baccalaureate degree.” Agreements established with regionally accredited institutions must be developed in conjunction with the faculty, following all institutional guidelines and are monitored as a function of the institutional program review process. Once approved, the agreements apply only at Regental institutions with equivalent programs. To comply with BOR Policy 2:27, South Dakota State University requests approval for the following articulation agreements:

- Students who have completed coursework in the Agriculture: Large Animal Technician Option, Associate of Applied Science Program at Lake Area Technical Institute (LATI) can apply credit toward the Animal Science Major: Industry Specialization, Bachelor of Science in Agriculture degree program at SDSU.

- Students who have completed coursework in the Agriculture: Ranch Management Option, Associate of Applied Science Program at Lake Area Technical Institute (LATI) can apply credit toward the Animal Science Major: Industry Specialization, Bachelor of Science in Agriculture degree program at SDSU.

- Students who have completed coursework in the Agriculture: Swine Option, Associate of Applied Science Program at Lake Area Technical Institute (LATI) can apply credit toward the Animal Science Major: Industry Specialization, Bachelor of Science in Agriculture degree program at SDSU.

- Students who have completed coursework in the Business Associate – Photography/Media Major, Associate of Applied Science Program at Lake Area Technical Institute (LATI) can
