REVISED
AGENDA ITEM: 4 – F

DATE: August 10, 2017

SUBJECT: Graduation Lists

Board of Regents [Policy 2:17 - Awarding of Degrees, Graduation Dates, and Catalog of Graduation](#) specifies that the Board “approves the awarding of academic degrees after receiving the university president's recommendation on behalf of the university,” following each academic term. Once submitted on behalf of the institution, the President certifies that all candidates have successfully completed degree or program requirements as approved by the Board, and that no degree requirements were waived for any individual student. Black Hills State University, Northern State University, South Dakota State University, and University of South Dakota request approval of the attached graduation lists for Summer 2017. Dakota State University and South Dakota School of Mines and Technology recognize their summer graduates at May commencement.
