SUBJECT

Fiscal Year 2017 Institutional Alcohol Sales Update

PERTINENT HISTORY

June 2016 Board of Regents Meeting, [10 – I BOR Policy 6:14 – Sale of Alcoholic Beverages at Institutions \(2nd Reading\)](#)

CONTROLLING STATUTE, RULE, OR POLICY

[Board Policy 6:14, Section C.4.D.](#)

BACKGROUND/DISCUSSION

BOR Policy 6:14 – Sale of Alcoholic Beverages at Institutions has been in place for one year after being adopted in June 2016. Therefore, this is the first year that the institutions were required to submit their reports on permitted alcohol sales.

Specifically, the policy requires that each institution prepare an annual report (due every August 1) of events where alcohol sales were permitted at the institution during the last fiscal year and submit it to the executive director. These reports contain the following information about the permitted events: (1) the date, (2) a brief description of the event, (3) the permit holder, (4) the vendor, (5) the institutional facility used, and (6) descriptions of any alcohol-related incidents.

IMPACT AND RECOMMENDATIONS

The report required by BOR Policy 6:14 shows that one year after the policy’s implementation four of the six regental institutions permitted limited alcohol sales at designated places and for designated events on campus. USD and SDSMT were the institutions that did not allow any alcohol sales. There were no alcohol-related incidents attributed to the events where alcohol sales were permitted.
