[BOR Policy 5:9](#) – Foundations

**BACKGROUND / DISCUSSION**

The institutional foundation reports have been regularly presented to the Board since October 2016. In these reports, foundations are asked to describe their structure, overview their finances, explain what they are doing to support the university, and consider things the Board can do to make the relationship with the Foundations more effective.

Todd Jordre, President/CEO of the NSU Foundation, will present the NSU Foundation Report at the December 2018 BOR meeting in Aberdeen.

**IMPACT AND RECOMMENDATIONS**

The information in the foundation reports provides the Board opportunity to better understand the important role of the institutional foundations.
