SUBJECT
Articulation Agreements – NSU

CONTROLLING STATUTE, RULE, OR POLICY
BOR Policy 2:27 – Program to Program Articulation Agreements

BACKGROUND / DISCUSSION
Board of Regents Policy 2:27 – Program to Program Articulation Agreements establishes requirements for institutions seeking to develop program level agreements for interested transfer students. The policy further establishes the distinction between AA, AS, and AAS degrees, which are classified as transferable, terminal, or non-transferable degrees (respectively). However, the AAS is “transferable when a specific degree articulation agreement exists between a given A.A.S. degree and a specific Baccalaureate degree.” Agreements established with regionally accredited institutions must be developed in conjunction with the faculty, following all institutional guidelines and are monitored as a function of the institutional program review process. Once approved, the agreements apply only at Regental institutions with equivalent programs.

IMPACT AND RECOMMENDATION
To comply with BOR Policy 2:27, Northern State University (NSU) requests approval for the following articulation agreements:

- Students who have completed an Associate of Applied Science (AAS) degree program at Southeast Technical College (STC) can apply credit toward a Bachelor of Science (BS) degree in the College of Professional Studies – Business at NSU.

- Students who have completed an Associate of Applied Science (AAS) degree program at Southeast Technical College (STC) can apply credit toward a Bachelor of Science (BS) degree in the College of Professional Studies – Sports Sciences at NSU.

Board staff recommends approval.
