ACADEMIC AND STUDENT AFFAIRS

9-A Revised BOR Policy 2:29 – Definition of Credits and Related Institutional Requirements (First Reading)

Dr. Janice Minder, System Vice President for Academic Policy and Planning, stated that BOR Policy 2:29 governs the institutional credit requirements to ensure academic quality and compliance with the Higher Learning Commission (HLC) guidelines. HLC1 requires at least thirty (30) of the 120 credit hours at the undergraduate level taught and delivered by the degree-seeking institution.

Over the last several months, this policy has been evaluated by the Academic Affairs Council (AAC) to ensure that the use of technology and the practice of transfer met the rigor required for academic quality. In addition, with the approval of the SD Board of Regents Strategic Plan, the policies governed by the Regents were reviewed in light of transfer initiatives currently underway to ensure best practices. The overall policy has been updated to reflect current policy structure and to allow campuses and students optimal flexibility where warranted.

The addition of flexibility to this policy also coincides with the new draft of the BOR Seamless Transfer Policy while ensuring academic rigor and quality remains intact.

IT WAS MOVED by Regent Wink, seconded by Regent Venhuizen, to approve the first reading of the proposed revisions to BOR Policy 2:29, as presented. Motion passed.

A copy of the Revised BOR Policy 2:29 – Definition of Credits and Related Institutional Requirements (First Reading) can be found on pages _____ to ____ of the official minutes.

9-B New BOR Policies 2:5, 2:5:1, 2:5:2, 2:5:3, and 2:5:4 – Seamless Transfer of Credit (First Reading)

Dr. Janice Minder, System Vice President for Academic Policy and Planning, stated that the Board of Regents (BOR) developed and approved a new Strategic Plan for 2022-2027 which focused on five strategic goals. Within the second goal (Access and Affordability), there were several
enrollment management strategies identified and one major objective within this centered around seamless transfer for students and the workforce needs of the state of South Dakota.

To implement this objective and action items, the Academic Affairs Council (AAC) over the last several months has been evaluating the transfer policies. To assist in this effort, a subcommittee was created. That subcommittee attempted to represent team members from each of the campuses in the following functional departments: registrar, BOR enrollment services center, academic affairs, and assessment. The work of that subcommittee has also been forwarded while in development to AAC, the Council of Presidents and Superintendents (COPS), and to functional campus departments such as financial aid and academic records. The team wanted to increase awareness of the progress on these policies and overall, on identifying campus and department needs during the evaluation.

The new policies set forth have had many stakeholders review and consider changes both philosophically and operationally. Because these policies and the practices associated will require additional dialogue, Dr. Minder will continue to route them to additional stakeholders and will begin having more discussion on the operationalizing of these policies. The goal will be to incorporate AAC guidelines where needed and Student Information System reference guides for those stakeholders managing transfer. The second review will be in August of 2022 with the anticipated effective term of Fall 2022.

Regent Brown posed the question regarding the 30-credit hour for military. Dr. Minder noted that particular item has not been fully worked through yet but is one of the carry-over revisions she anticipates being presented in August.

IT WAS MOVED by Regent Wink, seconded by Regent Thares, to approve the first reading of the proposed revisions to BOR Policies 2:5, 2:5:1, 2:5:2, 2:5:3, and 2:5:4, as presented. Motion passed.

A copy of the New BOR Policies 2:5, 2:5:1, 2:5:2, 2:5:3, and 2:5:4 – Seamless Transfer of Credit (First Reading) can be found on pages _____ to _____ of the official minutes.

9-C Repeal BOR Transfer Policies 2:25, 2:27, and 2:31 (First Reading)

Dr. Janice Minder, System Vice President for Academic Policy and Planning, stated that with the new seamless transfer policies being proposed, the Academic Affairs Council (AAC) have reviewed and support the repealing of policies 2:25, 2:27 and 2:31 to eliminate any outdated policy language upon implementation of the new policies.

IT WAS MOVED by Regent Wink, seconded by Regent Rave, to approve the first reading to appeal BOR Policies 2:25, 2:27, and 2:31, as presented. Motion passed.

A copy of the Repeal BOR Transfer Policies 2:25, 2:27, and 2:31 (First Reading) can be found on pages _____ to _____ of the official minutes.
Dr. Janice Minder, System Vice President for Academic Policy and Planning, stated that the General Education Discipline council (faculty representation from each of the six universities) and the assessment committee (assessment representation from each of the six universities) have recommended that BOR Policy 2:7 and BOR Policy 2:26 be merged to one policy for Undergraduate General Education. This recommendation was forwarded to the Academic Affairs Council (AAC) for their review.

It was found in the review that these policies which cover the undergraduate general education curriculum and are duplicative. Therefore, AAC’s recommendation is to repeal BOR Policy 2:26 and move to one undergraduate general education policy under BOR Policy 2:7.

IT WAS MOVED by Regent Wink, seconded by Regent Rave, to approve the first reading to repeal BOR Policy 2:26 and the proposed revisions to BOR Policy 2:7, as presented. Motion passed.

A copy of the Revised BOR Policy 2:7 – Undergraduate General Education Curriculum, and Repeal BOR Policy 2:26 – Associate Degree General Education Curriculum (First Reading) can be found on pages _____ to _____ of the official minutes.

Dr. Janice Minder, System Vice President for Academic Policy and Planning, stated that following the elimination of the CAAP examination in 2016, the Board of Regents (BOR) adopted a system-wide process to assess general education using authentic assessment. The new assessment process was modeled after the AAC&U VALUE Institute, an organization that conducts secondary assessment of a sample of de-identified student work using VALUE rubrics to draw conclusions about the efficacy of a general education program. The BOR system scaled the process to draw conclusions about general education outcomes at the state level using system-created rubrics, university faculty, and an assessment summit.

The system piloted the model in the summers of 2018 and 2019. Feedback from faculty participants, board office staff, and university academic leaders suggested the process did not result in sufficiently useful data. Following an Academic Affairs Council (AAC) meeting in October of 2019, the Board academic staff notified the System General Education Committee (general education faculty from all six universities) and System Assessment Committee (assessment stakeholders from all six universities) that the assessment summits would be discontinued in favor of a more decentralized process for assessment of general education. The notification indicated a collaborative process would be used to propose a revision to Board policies pertaining to the assessment of general education.

Due to COVID and various transitions, AAC evaluated assessment at their January 2022 meeting. The council discussed history and a proposed revision to Policy 2:11. The revision was crafted and
recommended by the System Assessment Committee and the System General Education Committee.

The BOR academic staff and legal counsel recommend that Board Policy 2:11 be revised to 1) reflect the current effective practice of institutional assessment of the System General Education Requirements, 2) require each institution to report its general education findings annually to the Board of Regents, and 3) remove the list and definitions of the cross-curricular skills from the policy and place them in a new guideline.

IT WAS MOVED by Regent Wink, seconded by Regent Bastian, to approve the first reading of the proposed revisions to BOR Policy 2:11, as presented. Motion passed.

A copy of the Revised BOR Policy 2:11 – Assessment (First Reading) can be found on pages _____ to _____ of the official minutes.

9-F Revised BOR Policy 2:13 – Third Party Requests for Academic Credit (First Reading)

Dr. Janice Minder, System Vice President for Academic Policy and Planning, stated Board Policy 2:13 was evaluated by the Academic Affairs Council (AAC) in coordination with the HLC guidelines. BOR academic staff recommended the policy be revised to 1) reflect the HLC’s requirement on required academic credentials for instructors contracted to teach externally funded courses, and 2) reference the alternative qualification of tested experience for highly qualified professionals who do not meet the educational requirement.

Regent Partridge would like to see an example of what the new assessment will look like when this comes back for a second reading.

IT WAS MOVED by Regent Wink, seconded by Regent Rave, to approve the first reading of the proposed revisions to BOR Policy 2:13, as presented. Motion passed.

A copy of the Revised BOR Policy 2:13 – Third Party Requests for Academic Credit (First Reading) can be found on pages _____ to _____ of the official minutes.

BUDGET AND FINANCE

10-A BOR Policy 5:21 Revisions – System Collection Policy (Second Reading)

Heather Forney, System Vice President of Finance & Administration, stated that at the May 2022 Board of Regents (BOR) meeting, the Regents reviewed the initial changes for Board Policy 5:21. This is the second and final reading of the policy. The existing collection policy makes mention of a timeline for submittal of delinquent accounts to the Board of Finance for write-off at two years. This recommended change will clarify the timeline for submitting write-offs to occur at two years, but no later than five years after delinquency. Additional clarification on who may grant the exception is the only change from the first reading.
IT WAS MOVED by Regent Partridge, seconded by Regent Rave, to approve the second and final reading of the proposed revisions to BOR Policy 5:21 – System Collection Policy as outlined in Attachment I. Motion passed.

A copy of the BOR Policy 5:21 Revisions – System Collection Policy (Second Reading) can be found on pages ____ to ____ of the official minutes.

10-B BOR Policy 6:4 Revisions – Capital Improvements (Second Reading)

Heather Forney, System Vice President of Finance & Administration, stated at the May 2022 Board of Regents (BOR) meeting, the Regents reviewed the initial changes for Board Policy 5:21. This is the second and final reading of the policy. Additional clarification on when a facility program plan or design plan may need to go back to the building committee and Board has been provided since the first reading.

IT WAS MOVED by Regent Partridge, seconded by Regent Venhuizen, to approve the second and final reading of the proposed revisions to BOR Policy 6:4 – Capital Improvements as outlined in Attachment I.

A copy of the BOR Policy 6:4 Revisions – Capital Improvements (Second Reading) can be found on pages ____ to ____ of the official minutes.

10-C USD Wellness Center Expansion – Revised Facility Design Plan

Heather Forney, System Vice President of Finance & Administration, and Julie Kriech, USD Vice President of Finance & Administration, stated that the University of South Dakota (USD) requests approval of a revised Facility Design Plan (FDP) for the expansion of its Wellness Center. The project itself has not been materially modified, but the costs associated have increased to $31.25 million from the originally approved $27.76 million. Per BOR Policy 6:4, changes in the project costs require resubmission of the Facility Design Plan for approval.

The Facility Program Plan for the expansion was approved by the Board at its October 2021 meeting, and the Facility Design Plan was approved at the March 2022 meeting. The spending authority approved within Senate Bill 42 was $25 million which was the project budget from the Facility Program Plan. It included a provision for cost inflation to a limit of 25% over the spending authority. This would establish the maximum authority at $31.25 million. The current project cost estimate is $31.25 million.

IT WAS MOVED by Regent Partridge, seconded by Regent Rave, to approve USD’s Wellness Center Expansion Revised Facility Design Plan with an increased budget of $31.25 million, utilizing a combination of private donations, and Auxiliary, Bond, and Local funds.

A copy of the USD Wellness Center Expansion – Revised Facility Design Plan can be found on pages ____ to ____ of the official minutes.

10-D SDSU Cottonwood Range and Livestock Field Station Preliminary Facility Statement
Heather Forney, System Vice President of Finance & Administration, and Barry Milke, SDSU Associate Vice President for Facilities, stated that The Cottonwood Field Station is located near Phillip, SD, and consists of 2,640 acres at the home site with an additional 1,100 grazing acres near Sturgis, SD. The site includes appropriate utilities and access. The property includes areas suitable for all improvements needed to renovate and modernize the Cow/Calf Field Research and Education Unit including open pens, semi-enclosed holding pens, sorting pens, enclosed animal handling pens, commodity storage, and classroom/conference facilities. Funding would come from one-time general funds and private donations.

IT WAS MOVED by Regent Partridge, seconded by Regent Rave, to approve SDSU’s Preliminary Facility Statement for the Cottonwood Range and Livestock Field Station Renovations and Upgrades which will be funded by FY23 one-time general funds and private donations, and that a building committee representative should be appointed to oversee this project.

A copy of the SDSU Cottonwood Range and Livestock Field Station Preliminary Facility Statement can be found on pages _____ to _____ of the official minutes.

**10-E South Dakota Mines Building Acquisition – Incubator Building**

Heather Forney, System Vice President of Finance & Administration, stated that South Dakota School of Mines & Technology (Mines) requests Board of Regents’ authorization to purchase the Ascent Incubator Building (Incubator Building) from Elevate Rapid City (Elevate RC). The acquisition was approved by the 2022 Legislature in SB 97, which contained an emergency clause, and was signed by the Governor on March 24, 2022. The bill authorized the Board of Regents to acquire, on behalf of the South Dakota School of Mines and Technology, the incubator building located on the campus of Mines, at the purchase price of up to $5,250,000, but not to exceed the appraised value of the building.

The proposed acquisition will allow Mines to expand its research, office and incubator capacity by 40,000 sq ft, of which 29,000 sq ft will be used for research and incubator space and 11,000 sq ft will be used for office space. This is critically needed space that will greatly enhance research and commercialization capacity at Mines.

IT WAS MOVED by Regent Partridge, seconded by Regent Thares, to approve the acquisition of the Incubator Building located on the campus of South Dakota Mines, as presented, which was authorized by Senate Bill 97 during the 2022 Legislative Session.

A copy of the South Dakota Mines Building Acquisition – Incubator Building can be found on pages _____ to _____ of the official minutes.

**10-F University of South Dakota – Sioux Falls**

Sheila Gestring, USD President, noted that the proposal for USD-SF before the Board reflects the outcome of the Senate Bill 55 Taskforce Report. The system stakeholders explored various options
for financial viability at the Sioux Falls site, resulting in the plan set forth in Attachment I, which rebrands the site as the University of South Dakota – Sioux Falls (USD-SF). This allows USD to utilize existing facilities to create a health sciences hub, relocating all of USD’s nursing classes and a skills lab (for learning and practical clinical skills) from the Sanford USD Medical Center campus, as well the Master of Public Health and Master of Social Work programs to the site. In addition, USD’s Doctor of Nurse Anesthesia Practice program, the Center for the Prevention of Child Maltreatment and the Center for Rural Health Improvement will also operate out of the USD-SF location. The foregoing allows USD to consolidate educational paths for health sciences careers, in addition to remaining focused on target markets in the community such as business and education programming while continuing its mission of providing pathways to four-year degrees.

The USD-SF rollout establishes USD as the primary provider for academic offerings at the site moving forward, with the exception of SDSU pharmacy which will continue to operate out of its current space at the location. Likewise, the transition at the location will not disrupt the Regents’ Information System (RIS), which continues to house most of its operations on site. USD will enter into the necessary MOUs with its system partners to maintain current space needs of the respective parties moving forward.

IT WAS MOVED by Regent Partridge, seconded by Regent Rave, to approve the University of South Dakota – Sioux Falls plan, as presented, and the related actions outlined in the item.

10-G Expanded Alcohol Sales

Nathan Lukkes, Chief of Staff, noted that we have been selling alcohol since 2016 but has been limited to specialty boxes at sporting events.

The Board previously discussed expanding alcohol sales at its March 2022 meeting. At that time, the Board directed staff to conduct additional due and bring back a proposal to consider on the topic at a future meeting. As noted in March, this conversation was prompted by a letter from the Student Federation and interest from student government on each of the six campuses.

After consultation with the six campuses and conducting a review of the various approaches utilized by campuses across the country, the proposed revisions to BOR Policy 6:14 were developed to provide the institutions with the flexibility to authorize periodic retail sales of alcohol in general admission areas of performing arts and athletic events, subject to the requirements set forth in Section 3.B.2.

The proposed revision to the policy keeps all of the current options in place but allows campuses additional flexibility. The approach is a reasonable one that summarized 1) keeps the alcohol sales separate from the regular concession stands, 2) implements an alcohol-free zone for spectators who do not want to be around alcohol, 3) making sure those who will be selling alcohol will have the appropriate training, and 4) allows language for how to handle any potential sporting event attendees that get unruly.
Nathan noted that in looking at other systems within our region, they too have been heading down this same path and approach to expanded alcohol sales.

IT WAS MOVED by Regent Partridge, seconded by Regent Rave, to move to (1) waive the two-reading requirement of By-Laws Section 5.5.1, and (2) approve the first and final reading of the proposed revisions to BOR Policy 6:14, as presented in Attachment I.

**SOUTH DAKOTA STATE UNIVERSITY**

**JUSTIFICATION:** SDSU has completed a review of the position and is requesting the position be reclassified from a CSA Ag Research Manager into an NFE position type. The complexity of this position does not align with the CSA class specifications, other animal research units are responsible for only one animal species, while the vivarium position requires husbandry and veterinary knowledge of over ten species. This position requires working with infectious agents and biohazards not present at the other facilities and is tasked with more regulatory oversight. Current position assists university veterinarian with surgical, medical and compliance activities at locations outside vivarium. SDSU HR is recommending a 10% salary increase due to reclassification with the employee’s annualized salary of $50,153. HR is also recommending an additional 10% increase due to internal inequity with a total annualized salary of $55,168. Equity comparisons- livestock unit managers who are in a lower pay grade than this position and are only responsible for one animal species and are at the following salaries: $55,344; $54,416; $68,000; $55,419; and $55,419.

**SOUTH DAKOTA SCHOOL OF MINES & TECHNOLOGY**

**JUSTIFICATION:** The Manager of Retail Operations has resigned and the remaining bookstore team has evaluated current position descriptions and has determined that the current Marketing Officer position would be a candidate to absorb duties from that position. This position is taking on the duties to manage all retail and operational components for four locations and developing, implementing, and executing strategic marking plans for the bookstore and other business units. Due to the significant change in responsibility, SDSU is requesting to reclassify this position from a CSA position type to an NFE with a 10% increase in salary.

**JUSTIFICATION:** Due to a restructure, this position will take on oversight of the recruitment team including the Assistant Director of Admissions, two on-campus Admissions Counselors, and two Regional Admissions Counselors. Her staff members oversee the areas of territory management, summer camps, and dual credit. With these additional duties, SDSM&T is requesting a reclassification to Associate Director. Market, including BOR comps, is $60,700. The funds will come from vacancy savings due to the reorganization.

**JUSTIFICATION:** These faculty teach higher level, more difficult courses, including a lot of graduate level courses that require specific training and education. The Beacom college has identified mission critical courses in the areas of offensive security, cyber operations, defensive security and reverse engineering. These faculty will be required to have 80% of their teaching load made up of courses in these four key areas.

3-B SDBOR FY24 Budget Priorities

Heather Forney, System Vice President of Finance & Administration, stated that the Board met with campus leadership in June to discuss preliminary budget priorities for FY24. The summary of requests for FY24 General Fund support are now being presented to the Board for approval.
IT WAS MOVED by Regent Bastian, seconded by Regent Partridge, to approve the FY24 Budget Request to include the priorities identified, to direct the staff to prepare and submit the FY24 Budget Request detail and justification to the Bureau of Finance and Management, and to refine any budget request figures and narratives, as necessary. Any needs for federal and other expenditure authority, full-time equivalent (FTE), South Dakota Opportunity Scholarship, post-secondary scholarship, lease payments, salary policy, and utility adjustment requests should be included.

Motion passed.

A copy of the SDBOR FY24 Budget Priorities can be found on pages _____ to ____ of the official minutes.

3-C Maintenance & Repair (M&R) Projects

Heather Forney, System Vice President of Finance & Administration, stated that according to BOR Policy 6:6 – Maintenance and Repair – projects not on an approved list estimated to cost more than $250,000 as well as any changes, other than funding realignments and transfers over $250,000 to an approved project, must be submitted for BOR approval. University of South Dakota (USD) requests $4,900,000 in local funds for full design, construction administration, cost estimate, and construction to renovate Olson Hall. Renovation will include demo, concrete, framing, doors/hardware/frames, finishes, toilet accessories, fire sprinkler heads, plumbing upgrades, HVAC upgrades, electrical upgrades, fire alarm upgrades and security.

USD also requests approval to use $2,500,000 in local funds to complete the full design and construction of a new parking lot, on the southwest side of campus in Vermillion, SD. USD does not have adequate parking on the southwest side. To resolve the parking shortage in this area, USD plans to build a new parking lot. The new lot will provide approximately 307 additional parking spaces for students, faculty, and staff.

IT WAS MOVED by Regent Venhuizen, seconded by Regent Rave, to approve the requested maintenance and repair projects as described in this item.

Motion passed.
