SDBOR Strategic Plan

BACKGROUND / DISCUSSION
The Board of Regents (BOR) developed and approved a new Strategic Plan for 2022-2027 which focused on five strategic goals. The second goal was defined as:

Access and Affordability: The Regental system is the largest public post-secondary education system in South Dakota. This system offers both undergraduate and graduate education. Access to affordable education is the cornerstones to ensuring South Dakotans attend a public post-secondary institution.

Within this goal (Access and Affordability), there were several enrollment management strategies identified. One objective centered around seamless transfer. The objective and action items regarding transfer include:

Objective:
Increase transfer enrollment by 5% through improved access to bachelor’s degree programs for students with earned credits from technical and community colleges.

*******************************************************************************

DRAFT MOTION 20220802_7-B:
I move to approve the second and final reading of the proposed revisions to BOR Policies 2:5, 2:5:1, 2:5:2, 2:5:3, and 2:5:4, as presented.
Actions:
1. Revise transfer policies and guidelines to be more student-centered.
2. Evaluate outcomes each year and reassess the policies and guidelines. Make changes as necessary to facilitate objectives.
3. Identify strategic partnership opportunities with the Board of Technical Education to improve traditional transfer and reverse transfer in South Dakota.

To implement this objective and action items, the Academic Affairs Council (AAC) over the last several months has been evaluating the transfer policies. To assist in this effort, a subcommittee was created. That subcommittee attempted to represent team members from each of the campuses in the following functional departments: registrar, BOR enrollment services center, academic affairs, and assessment. The work of that subcommittee has also been forwarded while in development to AAC, the Council of Presidents and Superintendents (COPS), and to functional campus departments such as financial aid and academic records. The team wanted to increase awareness of the progress on these policies and overall, on identifying campus and department needs during the evaluation.

The outcome of this team review is as follows:
- Transfer policy is complex; it required the team to review processes/practices in the Student Information System (Banner), review the process of transcript collection/review at the university, review the process of course syllabi at the university, and a review external universities and systems to identify trends, best practices.
- It was found that the Regents would not need a policy reflecting the memorandum of understanding or the lack there of in BOR Policy 2:31 and BOR Policy 2:25. It was also found that there was not a need to have a policy on articulation agreements as found in BOR Policy 2:27.
- It was noted that the policy should reflect accreditation standards allowing a more succinct policy given the national and regional accreditation guidelines, policies, and functional review needs.
- It was agreed that new seamless student-centered transfer policies would strive to meet the goal of the Board of Regents Strategic Plan at it relates to transfer.
- It was noted that common definitions would be critical to facilitate policy and practice.
- There was a need identified to draft guidelines and student information system reference tools to better align with new proposed policy.
- Stakeholders recommended an overarching parent BOR Policy with sub-policies incorporating details specific to stakeholder needs to mitigate confusion of the students or applicants looking to transfer to the Regental system.

With these outcomes, the Board of Regents will find the first proposed new draft policies.
1. BOR Policy 2:5 Seamless Transfer of Credit [Parent Policy]
   - Aligned the structure of the policy to include the current formatting.
   - Addition of the definitional section.
• Addition of the Policy Statements.
• Section on Waivers.
• Appeal Procedure.

2. BOR Policy 2:5:1 South Dakota Regental System Transfer of Credit [Sub-Policy]
   • Aligned the structure of the policy to include the current formatting.
   • This policy reflects only Regental system credit hours earned and transcripted.

3. BOR Policy 2:5:2 External (Non-Regental System) Accredited University/College Transfer of Credit [Sub-Policy]
   • Aligned the structure of the policy to include the current formatting.
   • This policy only reflects external (outside the Regental system) courses by accredited colleges and universities.

4. BOR Policy 2:5:3 External (Non-Regental System) Non-Accredited Institution and International Transfer of Credit [Sub-Policy]
   • Aligned the structure of the policy to include the current formatting.
   • This policy only reflects external (outside the Regental system) courses by non-accredited and international colleges and universities.

5. BOR Policy 2:5:4 Prior Learning and Validated Transfer of Credit [Sub-Policy]
   • Aligned the structure of the policy to include the current formatting.
   • This policy only reflects courses or hours through a prior learning experience such as a Test, or Military experience.

IMPACT AND RECOMMENDATION
These policies have had many stakeholders review and consider changes both philosophically and operationally. Because these policies and the practices associated required additional dialogue beyond the first reading at the June BOR meeting, Dr. Minder continued to route them to additional stakeholders to have more discussion on the operationalizing of these policies. The goal will be to incorporate AAC guidelines where needed and Student Information System reference guides for those stakeholders managing transfer.

This is the second reading of the proposed new draft of this policy with an anticipated effective term of Fall 2022. A few minor revisions have been made since the first reading at the June 2022 BOR meeting and are highlighted yellow within Attachments I – V.

The timeline associated with this policy is as follows:

• First Reading – June 2022 BOR Meeting
• Additional Stakeholder Meetings – July 2022
• AAC Guidelines/Student Information System Reference Guides – August 2022 (In-Progress)
BOR academic staff supports the recommendation of approving BOR Policies 2:5, 2:5:1, 2:5:2, 2:5:3, and 2:5:4.
