SUBJECT

Accelerated Program Request – USD – Master of Social Work (MSW)

CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 2:23](#) – New Programs, Program Modifications, Curricular Requests, and Inactivation/Termination

BACKGROUND / DISCUSSION

The University of South Dakota (USD) is proposing an accelerated pathway for the attainment of the Master of Social Work (MSW). Each accelerated program proposes twenty-four (24) overlapping credits.

IMPACT AND RECOMMENDATION

USD proposes an accelerated program from the BA in Sociology. At the Board’s June meeting, an accelerated program for the MSW from the BS in Sociology was approved, but the BA degree was overlooked. This accelerated option will provide a pathway for these students in the BA degree to extend their education to five years.

Board office staff recommends approval.

An accelerated graduate program for the purposes of this guideline is a graduate program at a Regental institution that allows a student to count courses for undergraduate and graduate credit simultaneously. Board Policy 2:8 – Level and Numbering of and Enrollment in Courses governs the transfer of courses between the undergraduate and graduate program.

Board of Regents Policy 2:5 – Transfer of Credit requires the Board of Regents to approve accelerated programs involving the transfer of thirteen (13) or more credits up to a total of twenty-five (25) total transfer credit hours at the accepting institution. In other words, an institution may create an accelerated program of one (1) to twelve (12) hours without Board approval. However, an accelerated program requires the creation of coding by the Enrollment Services Center (ESC) regardless of whether or not the accelerated program is accepting more than twelve (12) credit hours.

- 1. Maximum number of credits allowed to transfer between undergraduate and graduate program:** 24 credits
- 2. Is the response to Question 1 more than thirteen (13) credit hours? (place an “X” in the box following the correct response)**

Yes (requires BOR approval)	X	No (does not require BOR approval)	
-----------------------------	---	------------------------------------	--

- 3. What is the proposed date (day/month/year) the accelerated program would begin?**
 August 22, 2022 [Fall 2022]
- 4. Please provide a brief explanation of the accelerated program, including specific courses eligible for both the undergraduate and graduate program credit.**

The addition of accelerated 3+2 program in the B.A. in Sociology track will allow the undergraduate program to count 24 hours of the 1st year of MSW towards the electives in the B.A. degree (see 4-year plan guide below). The student will complete 96 hours by the end of the 3rd year towards the undergraduate degree.
