CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 1:6](#) – Appointment, Authority, and Responsibilities of Presidents and Superintendents
[BOR Policy 2:14](#) – Campus Organizational Structure

BACKGROUND / DISCUSSION

The Board staff continues to evaluate the Board of Regents policy manual to address duplication and inconsistencies, BOR Policy 2:14 – Campus Organizational Structure has been identified as a duplicative policy to requirements that are already set forth in BOR Policy 1:6. To remedy this, the staff has recommended minor adjustments to Section 2.7 of BOR Policy 1:6, to clarify that the presidents must present to the Board any requested changes to the administrative organization and the structure of institutional departments. The staff would then recommend that the Board repeal BOR Policy 2:14 to eliminate duplication and simplify the policy manual.

IMPACT AND RECOMMENDATION

Board staff recommends that the Board approve the first reading of the repeal to BOR Policy 2:14 as outlined in Attachment I. The second and final reading to repeal this policy are in coordination with the final adoption of recommended changes to BOR Policy 1:6.
