AGENDA ITEM: 6 – D

DATE: May 11-12, 2016

SUBJECT: Reduced Tuition Annual Report

Board Policies 5:5 and 5:5:1 outline the tuition reduction programs available to students. The tuition reduction programs included in the report cover both Board approved and legislatively mandated programs and relate to state-support courses for the 2016 academic school year (summer 2015, fall 2015, and spring 2016).

BOARD APPROVED PROGRAMS

- ◆ Persons 65 Years of Age or Older (SC): The tuition for resident students sixty-five (65) years of age or older during the calendar year enrolled shall be one-fourth (1/4) of the cost of resident tuition.
- ◆ Reserve Officer Training Corps Cadets (ROTC): South Dakota residents who are junior and senior students and who are contracted senior Reserve Officer Training Corps (ROTC) cadets shall be charged fifty-percent (50%) of the undergraduate resident tuition rate established by the Board of Regents for not more than four semesters.
- ◆ North Dakota Residents Attending Northern State University (NSUND): First-time freshmen and new transfer students from North Dakota enrolled beginning with the summer 2004 term at Northern State University shall be assessed the resident tuition rate. This reduced rate is available only at the undergraduate level.
- ◆ Western Regional Graduate Program (WRG): The Master’s and Ph.D. degree programs in materials engineering and science, offered by South Dakota School of Mines and Technology, are part of the Western Regional Graduate Program allowing students from WICHE compact states to attend the program at the resident tuition rate.
- ◆ Wyoming Residents Attending Black Hills State University (WY): First-time freshmen and new transfer students from Wyoming enrolled beginning with the summer 2013 term at Black Hills State University shall be assessed the resident tuition rate. This reduced rate is available only at the undergraduate level.

INFORMATIONAL ITEM

- ◆ Children of Alumni (CA): First-time freshmen and new transfer students that attend the same university where their parent or legal guardian received a degree provided, the student meets eligibility criteria established by the home institution. Effective summer 2015, eligible students shall be assessed the resident tuition rate. This reduced rate is available only at the undergraduate level.

LEGISLATIVE APPROVED PROGRAMS

- ◆ Child of Deceased Veteran (SDCL § 13-55-6) (CDV): Free education for children of residents who died during service in armed forces. Any person under the age of twenty-five years, a resident of this state, who is a child of a deceased parent, mother or father, who was a veteran as defined in § 33-17-2 is entitled to free tuition to pursue any course of study in any state educational institution under the control and management of the Board of Regents.
- ◆ Dependents of National Guardsmen Disabled or Deceased in Line of Duty (SDCL § 13-55-10) (DDD): South Dakota residents under the age of 25 years whose father, mother, or spouse died or sustained a total permanent disability resulting from duty as a South Dakota National Guard member, while on state active duty or any authorized training duty, shall be entitled to tuition without cost and be entitled to attend any course or courses of study.
- ◆ Employees of the State of South Dakota (SDCL § 3-20-1) (SDE): Employees of the state who meet eligibility requirements and are admitted to the university may be eligible for a fifty-percent (50%) tuition reduction for undergraduate and graduate courses up to a maximum of six credit hours per semester.
- ◆ Survivors of Fire Fighters, Certified Law Enforcement Officers and Emergency Medical Technicians (SDCL § 13-55-22) (SFP): If a firefighter or certified law enforcement officer or an emergency medical technician dies as a direct result of injuries received in performance of official duties, the survivor, upon being duly accepted for enrollment into any state-supported university of higher education or state-supported technical or vocational school, shall be allowed to obtain a bachelor's degree or vocational degree for so long as the survivor is eligible, free of any tuition. However, the bachelor's degree or vocational degree shall be earned within a thirty-six month or eight semester period or its equivalent.
- ◆ Certain Elementary and Secondary Teachers and Vocational Instructors (SDCL § 13-24) (TC): Certain elementary and secondary school teachers and vocational instructors may pursue any undergraduate or graduate course on campus upon payment of fifty-percent (50%) of tuition and 100% of required fees.
- ◆ Veterans and Others Who Performed War Service (SDCL § 13-55-2 through 13-55-4) (QV): Veterans and others who performed active war service may pursue any undergraduate course or courses without payment of charges for tuition for each month of qualified service or major fraction thereof a month in academic time. No eligible person shall be entitled to less than one nor more than four academic years of free tuition. Note: Many veterans will be coded as

National Guard (NG), so the actual number of veterans qualifying will be understated.

- ◆ Dependents of Prisoner of War or Missing in Action (SDCL §13-55-9.2) (DPM): Any dependent of a prisoner of war or a person missing in action, upon his being duly accepted for enrollment into any state-supported institution of higher education or state-supported technical or vocational school, shall be entitled to eight semesters or twelve quarters, free of tuition and mandatory fees other than subsistence expenses, for either full or part-time study, for so long as he is eligible.
- ◆ Visually Impaired Persons (SDCL §§ 13-55-11 through 13-55-13) (VH): Residents of South Dakota who are visually impaired and are eligible for admission may pursue any course of study without payment of tuition and fees that other students are required to pay directly to the university until they have received two hundred twenty-five (225) semester hours of credit or its equivalent.
- ◆ National Guard Members (SDCL § 33-6-5) (NG): All National Guard students are entitled to a benefit of fifty-percent (50%) of the in-state resident tuition to be paid or otherwise credited by the Board of Regents. As of FY13, the Army's regulatory policy no longer allowed federal tuition assistance to be applied toward fees. Because this change would have meant a loss of \$1,800 to a full-time National Guard member, the Board staff worked diligently to find a solution. The Army agreed that the Board could apply the fifty-percent (50%) reduced-tuition benefit to fees, allowing the full tuition to be paid with federal tuition assistance. The Board still only provides a benefit equivalent to fifty-percent (50%) of the tuition, but it is applied to USF/GAF, allowing the student to be eligible for more tuition assistance.

The Board waived a total of \$370,615 (Undergraduate - \$349,883 and Graduate - \$20,732) in tuition and USF fees for Guard members. When added to the \$1,156,685 for all other programs, the total tuition and fees waived was \$1,527,301 for the 2016 academic year.

Attachment I provides the student numbers, and state-support credit hours related to the reduced tuition programs. The total revenue collected from these students for tuition, university support fee, general activity fee, room and board, and total revenue for the Regental system is also provided.

Attachment II provides the amount of tuition dollars waived for each of the programs including the National Guard program explained above.
