SOUTH DAKOTA BOARD OF REGENTS

Committee on Academic and Student Affairs

AGENDA ITEM: II – E (1)

DATE: December 12-13, 2012

SUBJECT: Articulation Agreement – SDSU and Avera McKennan School of Radiologic Technology

South Dakota State University has submitted an articulation agreement with Avera McKennan School of Radiologic Technology.

RECOMMENDED ACTION OF THE EXECUTIVE DIRECTOR

Approve the articulation agreement between SDSU and Avera McKennan School of Radiologic Technology.
Articulation Agreement
between
South Dakota State University
And
Avera McKennan d/b/a Avera McKennan School of Radiologic Technology
Agreement with Respect to Applying the Radiologic Technology Certificate
Towards the
Associate of Arts in General Studies Degree
OR
Bachelor of General Studies Degree

I. Parties
The parties to this agreement are Avera McKennan d/b/a Avera McKennan School of
Radiologic Technology, Sioux Falls, South Dakota and South Dakota State University
(SDSU).

II. Purpose
The purpose of this agreement is to:

a. provide increased educational opportunities for students from South Dakota and
the region.
b. provide students who complete the Avera McKennan Radiologic Technology
program an opportunity to earn an Associate of Arts degree in General Studies or
the Bachelor of General Studies Degree.
c. have a signed agreement that addresses the needs of students in the Avera
McKennan Radiologic Technology program to complete an associate’s degree or
bachelor’s degree in order to sit for the American Registry of Radiologic
Technologist’s exam to be credentialed as a Registered Radiologic Technician.

III. Academic Program – A.A. in General Studies

a. Requirements to be completed to earn the A.A. in General Studies are the
following:
   i. ENGL 101, Composition I, 3 credits
   ii. ENGL 201, Composition II, 3 credits
   iii. SPCM 101, Fundamentals of Speech, 3 credits
   iv. MATH 102, College Algebra, 3 credits
v. Natural Sciences, 6 credits
vi. Social Sciences, 6 credits (from two disciplines)
vii. Humanities, 6 credits (from two disciplines except for modern language)

b. Pathway One: Reverse Articulation (complete the 30 credits from SDSU and then complete the Radiologic Technology Program at Avera McKennan. Transfer the RT program credits back to SDSU for completion of degree)
   i. Students must meet admissions requirements for AA degree.
   ii. Students will complete the required AA in General Studies degree courses through SDSU. Then, students will enter the Radiologic Technology program at Avera McKennan.
   iii. Upon successful completion of the RT program, the student will transfer back to SDSU and apply for graduation. At that time, SDSU will accept a block of 30 technical course credits in transfer.
   iv. SDSU will waive the graduation requirement that 8 of the last 16 credits for the Associate degree must be earned as institutional credit.
   v. Students must meet all other Board of Regents and university requirements in order to receive the degree.
      1. Students will need to pass the required proficiency exam prior to earning the AA degree.
      2. Students must meet the placement requirements in Math, English, and Reading before enrolling in Math and English courses. Placement in these courses is determined by ACT, COMPASS or ACCUPLACER scores.

c. Pathway Two: Forward Articulation (complete the Radiologic Technology Program at Avera McKennan and transfer to SDSU to complete the AA in General Studies)
   i. Students must meet admissions requirements for the AA degree.
   ii. Upon successful completion of the requirements for the Radiologic Technology program, students may transfer to SDSU to complete the AA in General Studies. At that time, SDSU will accept a block of 30 technical course credits from the RT program. Students must successfully complete the RT program at Avera McKennan prior to transferring to SDSU for the technical course credits to be accepted.
   iii. Students will complete the requirements for the AA in General Studies and any other general education or free elective requirements that remain unsatisfied.
iv. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.

1. Students will need to pass the required proficiency exam prior to earning the AA degree.
2. Students must meet the placement requirements in Math, English, and Reading before enrolling in Math and English courses. Placement in these courses is determined by ACT, COMPASS, or ACCUPLACER scores.

**Total credits required:** 120

V. Obligations

Both parties agree to confer with each other regarding changes in curricula involved in this articulation agreement as needed.

VI. Modification

This agreement may be modified from time to time by South Dakota State University and Avera McKennan School of Radiologic Technology with approval by the South
Dakota Board of Regents and Avera McKennan. Modifications may not diminish the entitlements enjoyed by students who have already attended classes delivered under the terms of earlier versions of the agreement, except in rare instances in which retroactive implementation of modifications may be required to comply with accreditation standards or to conform to professional licensure requirements.

VII. Effective Date of Agreement: Start date of the Spring 2013 term at SDSU and Avera McKennan School of Radiologic Technology

VIII. Acceptance of Agreement:

For SDSU:

[Signature]

Dean, College of Arts and Sciences

[Signature]

Provost and Vice President for Academic Affairs

[Signature]

President

Date: 11-5-12

For Avera McKennan School of Radiologic Technology:
