Dear Mr. Brakke,

We are in receipt of a Value Engineering (VE) proposal offered by Clark Drew Construction for the above referenced project as provided in a letter dated 16 December 2013, with items totaling in the amount of \$169,335.00.

We have reviewed in detail with the bidder the individual items presented in detail and find same for consideration as VE items to the project in the total amount described therein. It is our recommendation that these items as noted in the contractor's proposal be considered for acceptance for the project.

Please advise if you have any questions or desire further information.

Yours truly,

FARRIS ENGINEERING
